The Lower Makefield Historical Society is a non-profit organization dedicated to the appreciation and preservation of the beauty and historic significance of Lower Makefield Township and Bucks County. The Society promotes the research and publishing of findings regarding local history and culture.

The Society enjoys a diverse and active membership and invites anyone interested in the history and the heritage of our community to join. General membership meetings include guest speakers presenting a wide range of topics specifically designed to entertain and inform. A membership newsletter, a Holiday Party, and a Spring Installation Reception are included in the membership benefits package. Visit www.lowermakefieldhistoricalsociety.com to learn more about us.
